

Northstar DISC

Executive Report Export

You create calm and trust by being steady, patient, and reliable. In a quieter second layer, drive also shapes the way you connect, organize, or respond when the pressure is on.

Primary: S | Secondary: D

Completion score: 100%

Generated: July 22, 2026

Highlights

- You bring stability to difficult moments.
- You make teams feel safe.
- You carry patience and consistency.

Development Focus

- Practice speaking up sooner.
- Let your pace be a strength without slowing everything down.
